OUT

WHAT? Are you
telling me that rock
and roll led to rock
and other musical
styles?

Rock music is a broad
genre of popular music
that originated as "**rock
and roll**" in the **United
States in the early 1950s**.
It developed into a range
of different styles in the
1960s

Elvis Presley is well known as
"King of Rock and Roll" or
simply "the King".
